Product Weigh (kg)	4.5			
Dimensions (mm)	320(W)x355(D)x130(H)			
Platter Size (mm)	320(W)x230(D)			

Weight comparison function with alarm beeps (HI/OK/LO)

customer can preset the range of weight & count data, so the GM-C series will indicate whether the actual weight of the loaded items is out of the preset range with alarm beep sounds. The GM-C will also enable users to conduct a much faster and easier operation.
